

MAK SAFETY & GENERAL TRADING W.L.L

Protecting Workforce, Empowering Progress

At MAK Safety and General Trading, safety is a sacred promise to ensure every worker returns home to their family. Our mission goes beyond supplying equipment, we protect human lives by providing top-tier safety gear and refusing to compromise on quality. Workers are a company's greatest asset, and our success is measured not by growth, but by the accidents prevented and risks mitigated under our watch.

Team MAK Business Group, Mak Safety & General Trading W.L.L

Headquarters: Muharraq, Kingdom of Bahrain. **Global Presence:** India | China | Germany | Italy

About Us

MAK SAFETY & GENERAL TRADING W.L.L is a premier supplier of Personal Protective Equipment (PPE), comprehensive industrial safety solutions, and heavy-duty portable tools.

Headquartered in Muharraq, Kingdom of Bahrain, with strategic global procurement hubs in India, China, Germany, and Italy, we provide certified, high-grade safety equipment tailored to meet the demanding requirements of modern industries. Our mission is centered on safeguarding life and property through uncompromising quality, reliable logistics, and strict adherence to international safety standards.

Our Mission

To deliver certified, high-performance safety equipment, personal protective gear, and industrial portable tools that empower businesses to maintain the highest standard of workplace safety, zero-harm environments, and operational efficiency across the region.

Our Vision

To become the Middle East's most trusted and preferred partner in industrial safety and general trading, recognized for technical expertise, international quality sourcing, and end-to-end client support.

Our Core Values

Integrity & Compliance:

Upholding safety standards (OSHA, EN, ISO, ANSI) across all product lines.

Excellence in Quality:

Partnering with world-class manufacturers from Europe and Asia.

Reliability:

Ensuring on-time delivery of essential safety equipment to keep projects on track.

Customer Centricity:

Tailoring solutions to fit specific industry requirements, project scales, and client budgets.

GLOBAL PRESENCE & ADVANTAGE

Our strategic Global Network

Kingdom of Bahrain

(Headquarters - Muharraq)

Serves as our central management, warehousing, and distribution hub to fulfill local market demands across construction, industrial, and oil & gas projects in Bahrain and the GCC region.

1

2

European Procurement Network

(Germany & Italy)

Direct sourcing channels for high-end European-certified safety gear, specialized fall protection, certified gas detection systems, and precision power tools.

3

Asian Supply Chain Hubs

(India & China)

Robust manufacturing relationships allowing cost-effective, bulk production and procurement of standard PPE, high-visibility apparel, workwear, and industrial hardware supplies.

PRODUCTS & SERVICES

Comprehensive Solutions
Trusted Protection

1

Personal Protective Equipment (PPE)

Head & Face Protection:

Industrial hard hats, safety helmets, welding shields, clear safety goggles, and full-face shields.

Hand & Foot Protection:

Chemical-resistant gloves, cut-resistant gloves, heat-insulated gloves, heavy-duty safety boots, and slip-resistant footwear.

Body & High-Visibility Wear:

MANAGEMENT STRUCTURE & CLIENT ENGAGEMENT

Executive Leadership & Management

Our operations are led by an experienced management team dedicated to technical competence, supply chain integrity, and client satisfaction:

Client Engagement Model

- Needs Assessment & Risk Mapping:** Identifying exact safety gear requirements based on project environments.
- Product Sourcing & Verification:** Procuring directly from our networks in Germany, Italy, China, or India.
- Quality Check & Dispatch:** Thorough inspection before regional delivery from our Muharraq warehouse.
- After-Sales Support:** Product usage guidance, compliance certification documentation, and re-order automation.

Strategic Goals & Targets (2026 – 2030)

- Phase 3 2028-2030**
Regional Market Leadership
Becoming one of the top multi-brand distributors for specialized safety gear and portable tools across the GCC. Introducing specialized safety consultation and product maintenance services for enterprise clients.
- Phase 2 2027-2028**
Supply Chain Integration
Strengthening direct OEM manufacturing partnerships across Europe and Asia. Expanding local inventory capacity to support emergency, same-day delivery for urgent industrial projects.
- Phase 1 2026-2027**
Foundation & GCC Expansion
Official inauguration and operational deployment in Muharraq, Kingdom of Bahrain. Establishing long-term corporate supply agreements with major local contractors and industrial firms. Expanding the digital inventory portal at www.makgp.com.

MAK Safety Is Your Complete Safety Partner

"MAK Safety and General Trading" is not just an organization; it is a family. Heartfelt thanks to the beloved workers who stand with us at every step of our growth, and to all our partners who trust us and walk alongside us on this journey.

You are the greatest strength of our business. Your hard work and dedication drive us forward. Therefore, prioritizing your safety and well-being is our foremost responsibility.

Ensuring that you return safely to your families after a day's work is MAK Safety's greatest success. On this journey, we stand together, moving forward with mutual care. Together, we will reach even greater heights."

Founder,
MAK Safety and General Trading W.L.L.
